

Weddings & Civil Partnerships

We believe it is essential that every event at Trailfinders Sports Club should be designed to your specific requirements. The attached documents are designed to give you a guide to our excellent facilities. No event is too large or too small. Our team have over 20 years of experience in event organisation and take great pride in tailor-making everything to your requirements.

Set in 18 acres of landscaped grounds this very versatile facility is able to host all manner of receptions and events from Weddings to large Corporate Fun days.
